Responsibility Sheet in respect of subjects included in Section III HV of the Instructions of the First Member of Council in the Shimoga Dt in December 1921.

Serial no:	Subject	Suggestions for action or reasons therefor	Section of the Rules	Officer responsible for developing the subject
1.	Bhadravati: Ancient individual mutchalikas to be obtained from the raiyats for payment of contribution	Individual mutchalikas do not appear to have been taken from the raiyats for payment of contribution. There is a general mutchalika purporting to have been executed by the holders in 45 villages out of 116 below the proposed channels	Section III.	Dy Comm, Shimoga Dt.
2.	Acquisition of lands and compensation for lands acquired.	The work of acquisition of lands appears to be largely in arrear. There is a loud complaint that compensation has not yet been paid to the raiyats whose lands were acquired more than 3 years ago. From a statement obtained from the Dy Comm showing the progress of land acquisition work it was found that an extent		

	of about 1108 acres has been acquired but only a sum of Rs 9176 has been disbursed as compensation out of about Rs 42930 due. The Dy Comm has been asked to expedite this work.	See III	Dy Comm, Shimoga Dc.
3. Further examination of the revenue aspect and provision of funds for the work.	About 6 or 7 lakhs more will be required to complete the project and as this has to come from the loan money, the revenue aspect requires further examination as also the question of providing funds.	do.	The Chief Engineer and Secy P.W.D.
Excavation of Channels.	The excavation of channels through holdings before water can be run for irrigation is causing much hardship to the raiyats who made a representation to me on the spot during my inspection. This hardship will be all the greater if the work has to be postponed on account of financial reasons.	do.	The Chief Engineer.

2	Section IV.	16	14	9	9
5.	Supply of water to the tank at Hiriyur village, Bankipur Hobli.	The villagers represented that the new tram line going to Humblebail has obstructed the water flowing into their tank with the result that just when they want water the tank is dried up. There is no doubt that there is a real hardship. Steps should be taken in consultation with the Revenue Department to assure those raiyats the normal supply of water in the tank.	See IV	The Secretary to Govt for Railways, Revenue Commr & the Dy Commr, Shimoga
6.	Restoration of Gomal lands to the villagers of Honnehatti and Hosur of the Bhadravathi hobli.	The villagers complained that their Gomal lands had been recently converted into a reserve forest and requested that the same may be restored to them and they be allowed to cut timber from the forest for fuel and for agricultural purposes. The local authorities to enquire into their grievances and see whether any relief is called for	do -	Conservator of Forests and Dy Commr, Shimoga

7.	Conversion of the Grant-in-aid school at Gondi into a Govt school.	The villagers of Gondi of the Bhadravati hobli have requested that the existing grant-in-aid school in their village should be converted into a Govt school. The D.G. of Eduction should be asked to see if the request of the villagers cannot be granted.	See IV.	D.G. of Education.
8.	Supply of fuel for domestic purposes from the neighbouring forests to the villagers of Haranahalli	The villagers complained that they were not allowed to cut fuel for domestic purposes from the neighbouring forests. The representation ~~should be~~ should be enquired into by the local officers and needful relief given.	do	The Conservator of Forests & Dy Comm, Shimoga H-
9.	Compensation for lands acquired in Arenkoppa village for the Shimoga-Arasalu Railway.	The villagers of Arenkoppa complained that compensation due to them on account of the lands acquired for the Shimoga-Arasalu Railway had not been paid to them and prayed for its early payment. The matter requires looking into without loss of time.	-do-	Agent & Secretary Mysore Railways & Dy Comm, Shimoga H-
